

**PURCHASE ORDER TERMS AND CONDITIONS FOR NON-PRODUCTION
SERVICES**

REVISED MARCH 1, 2020

1. OFFER/ACCEPTANCE.

A. Each purchase order, together with these Terms and Conditions and any documents specifically referenced herein (collectively, "Purchase Order") is an offer by the entity identified on the Purchase Order as the "Buyer" ("Buyer") to the party to whom such Purchase Order is addressed and such party's applicable affiliates and subsidiaries ("Seller") to purchase services described therein, including any ancillary goods, (the "Services") and it shall be the complete and exclusive statement of such offer and agreement. A Purchase Order does not constitute an acceptance by Buyer of any offer or proposal by Seller, whether in Seller's quotation, acknowledgement, invoice or otherwise. In the event that any Seller quotation or proposal is held to be an offer, that offer is expressly rejected and is replaced in its entirety by the offer made up of the Purchase Order.

B. A contract is formed on the date that Seller accepts the offer of Buyer. Each Purchase Order shall be deemed accepted upon the terms and conditions of such Purchase Order by Seller by shipment of goods, performance of services, commencement of work on goods, written acknowledgement, or any other conduct of Seller that recognizes the existence of a contract pertaining to the subject matter hereof. Additionally, each Purchase Order shall be deemed accepted five business days after Buyer delivers the Purchase Order to Seller, if Seller fails to object to the Purchase Order. Acceptance is expressly limited to these Terms and Conditions and such terms and conditions as are otherwise expressly referenced on the face of the Purchase Order. No purported acceptance of any Purchase Order on terms and conditions which modify, supersede, supplement or otherwise alter these Terms and Conditions shall be binding upon Buyer and such terms and conditions shall be deemed rejected and replaced by these Terms and Conditions unless Seller's proffered terms or conditions are accepted in a physically signed writing by an authorized representative of Buyer's purchasing department (a "Signed Writing"), notwithstanding Buyer's acceptance of or payment for any Services or similar act of Buyer. In the event of a conflict between the Purchase Order and any prior or contemporaneous agreement or document exchanged between Buyer and Seller, the Purchase Order governs unless such other agreement or document is signed by Buyer and expressly states that it shall prevail over the Purchase Order.. In order to be valid against the Buyer, all Purchase Orders must be issued on Buyer's official purchase order form and bear a purchase order number.

C. Henniges Automotive may from time to time administer purchasing for its affiliates and subsidiaries and issue Purchase Orders containing the Henniges Automotive logo, but identifying a different Buyer. Seller acknowledges and agrees that no such Purchase Order shall constitute or be interpreted to represent a Purchase Order of Henniges Automotive or a guaranty by Henniges Automotive of any obligations or liabilities of the Buyer identified on the Purchase Order.

2. ENTIRE AGREEMENT.

A. The Purchase Order, together with these Terms and Conditions, any Statement of Work, Master Service Agreement and the attachments, manuals, guidelines, requirements, specifications, exhibits and supplements specifically referenced in the Purchase Order or on the Buyer's website at www.hennigesautomotive.com, constitutes the entire agreement between Seller and Buyer with respect to the matters contained in the Purchase Order and supersede all prior oral or written representations or agreements.

B. Seller periodically shall review the Henniges Automotive website at www.hennigesautomotive.com and the manuals located therein. Seller's continued performance under the Purchase Order without providing written notice to Buyer detailing Seller's objection to any modified or new supplier manual prior to the effective date of such modified or new manual will constitute Seller's acceptance of such modified or new manual.

C. Buyer may modify the Terms and Conditions from time to time by sending notice of such modified Terms and Conditions to Seller at least ten (10) days prior to the modified Terms and Conditions becoming effective. Seller periodically shall review the Henniges Automotive website and the Terms and Conditions. Seller's continued performance under the Purchase Order without providing written notice to Buyer detailing Seller's objection to any modified Terms and Conditions prior to the effective date of such modified Terms and Conditions will be subject to and will constitute Seller's acceptance of such modified Terms and Conditions. Except as provided in the preceding sentences or as otherwise provided in these Terms and Conditions, the Purchase Order may only be modified by a Signed Writing.

3. WARRANTY.

A. In addition to Seller's customer warranties, any express warranties set forth in this Purchase Order, any statutory warranties or any warranties implied by law, Seller expressly warrants that all of the Services provided under this Purchase Order and all other Purchase Orders: (i) shall be performed or provided in a competent, workmanlike manner; (ii) shall be performed or provided in accordance with all applicable federal, state, and local laws, regulations, industry standards or other standards, labeling, transporting, licensing approval or certification requirements in the Poland or any other country where the Services will be performed or provided; (iii) shall strictly conform with all statements of work, specifications, descriptions and samples furnished to or by Buyer, or referred to in the Purchase Order, and all industry standards, laws and regulations; (iv) shall be safe, fit and sufficient for the particular purposes intended by Buyer, which purposes Seller acknowledges are known to it; and (v) do not, and are not claimed to, violate any patent, trademark or copyright, and may be properly imported into the United States or any other country.

These warranties may not be limited or disclaimed. Seller waives any claim against Buyer and its customers, including any hold-harmless or similar claim, whether known or unknown, contingent or latent, in any way related to a claim asserted against Seller or Buyer for breach of warranty infringement of any patent, trademark, copyright or other proprietary right, including claims arising out of compliance with specifications furnished by Buyer.

D. If Buyer experiences any breaches of a warranty under this Purchase Order, Buyer shall have the right, in addition to exercising all other rights Buyer may have under applicable statutes or law, to take the following actions, at Buyer's option: (i) retain the results of the defective Services in whole or in part with an appropriate adjustment in the price for the goods; (ii) require Seller to cure the defective Services in whole or in part at Seller's sole expense; or (iii) reject the defective Services.

If Seller offers a lower price for the same or similar goods or services to any other customer during the term of a Purchase Order, then to the extent permitted by law, Seller will immediately offer Buyer the same price for the Services on the same terms and conditions as was offered to the other customer. Seller shall ensure that the price charged to Buyer for Services remains competitive with the price for similar goods or services available to Buyer from other sellers.

B. Upon termination of any Purchase Order by Buyer under Sections 25 or 26, Buyer shall pay to Seller the following amounts without duplication: (i) the Purchase Order price for all finished and completed deliverables and Work Product delivered to Buyer that conform to the requirements of the Purchase Order and not previously paid for; (ii) Seller's

reasonable actual cost of settling claims for the obligations Seller would have had to the subcontractors approved by Buyer on the face of a Purchase Order or Purchase Order amendment or in a Signed Writing in the absence of termination; and (iii) Seller's reasonable actual cost of carrying out its obligations under subsections A(iii) and A(iv).

C. Upon termination pursuant to Section 24, Seller shall not be entitled to any further payments by Buyer.

D. Except as expressly set forth in this Section 27 Buyer shall not be liable for and shall not be required to make payments to Seller, directly or on account of claims by Seller's subcontractors, for any other alleged losses or costs, whether denominated as loss of anticipated profit, unabsorbed overhead, interest on claims, product development and engineering costs, facilities and equipment rearrangement costs or rental, unamortized depreciation costs, ancillary exit charges (including, but not limited to, costs of riggers, warehousing, premium manufacturing costs, loading of trucks or other standard business procedures related to transitioning production to an alternative supplier), or general and administrative burden charges resulting from termination of the Purchase Order or otherwise. Notwithstanding anything to the contrary, Buyer's obligation to Seller upon termination shall not exceed the obligation Buyer would have had to Seller in the absence of termination.

E. Within thirty (30) days after the effective date of termination, Seller shall furnish to Buyer its termination claim, to the extent allowed under this Section 27, together with all supporting data which shall consist exclusively of the items of Buyer's obligation to Seller that are listed in this Purchase Order. Buyer may audit Seller's records before or after payment to verify amounts requested in Seller's termination claim.

28. TRANSITION OF SERVICES.

Upon the expiration or earlier termination of any Purchase Order for whatever reason, Seller agrees to take all actions necessary in order to ensure that there is no interruption in the supply of Services to Buyer. Among other things, Seller agrees to take such actions as may be reasonably required by Buyer to accomplish the transition from Seller to an alternative seller, including, without limitation the following: (a) Seller shall provide all notices necessary or desirable for Buyer to resource the Purchase Order to an alternative seller; (b) Seller shall provide to Buyer all property furnished by or belonging to Buyer or any of Buyer's customers in as good a condition as when received by Seller, reasonable wear and tear excepted; (c) Buyer and the alternative seller reserve the right to access and actively participate during the disconnect or disassemble process for such property, and the location, time and date of the exit shall be mutually agreeable between the Buyer and Seller; and (d) Seller shall, at Buyer's option: (i) assign to Buyer any or all sub-contracts relating to the Purchase Order; (ii) sell to Buyer, at Seller's cost any or all perishable tooling and Services inventory relating to the Purchase Order; and/or (iii) sell to Buyer any of Seller's property relating to the Purchase Order, at a price equal to the unamortized portion of the cost of such items less any amounts Buyer previously has paid to Seller for the cost of such items. Seller shall provide

documentation supporting the original cost of any unamortized items. The term “alternative seller” expressly includes, but is not limited to, a Buyer-owned facility.

29. NO TERMINATION RIGHT BY SELLER.

Because Buyer’s commitments to its customers are made in reliance on Seller’s commitments under each Purchase Order, Seller has no right to terminate any Purchase Order without the written consent of Buyer.

30. FORCE MAJEURE.

A. Any delay or failure of either party to perform its obligations shall be excused if it is caused by an extraordinary and unforeseeable event beyond the control of the nonperforming party and without the nonperforming party's fault or negligence, such as acts of God, fires, floods, windstorms, explosions, riots, natural disasters, epidemics and wars. Written notice of such delay, including the anticipated duration of the delay, must be given by the nonperforming party within two (2) days of the event. During the period of any delay or failure to perform by Seller, Buyer, at its option, may purchase Services from other sources without liability to Buyer, or cause Seller to provide the Services from other sources in quantities and at times requested by Buyer and at the price set forth in this Purchase Order. If requested by Buyer, Seller shall, within five (5) days of such request, provide adequate assurance that the delay will not exceed such period of time as Buyer deems appropriate. If the delay lasts more than the time period specified by Buyer, or Seller does not provide adequate assurance that the delay will cease within such time period, Buyer may, among its other remedies, immediately cancel this Purchase Order without liability. Additionally, Seller shall reimburse Buyer for any increase in price that Buyer is required to pay to a substitute supplier in order to obtain the Services.

B. If a force majeure event continues for longer than five (5) calendar days, then Buyer, at its sole option, may terminate any Purchase Order affected thereby in whole or in part without any obligation or liability except that Buyer is still responsible for payment for Services that have been delivered to and accepted by Buyer prior to force majeure notice receipt. Seller acknowledges and agrees that the following will not excuse performance by Seller under theories of force majeure, commercial impracticability or otherwise and Seller expressly assumes these risks: (i) change in cost or availability of materials, components or services based on market conditions, supplier actions or contract disputes; (ii) failure of Seller’s internal business systems related to the proper processing of date information that results in any defect or failure in products or services, deliveries, or any other aspect of performance by Seller or its subcontractors.

C. Buyer may cancel any Purchase Order at any time prior to delivery or performance if its business is interrupted for reasons beyond Buyer’s reasonable control. Buyer shall give prompt notice of such cancellation to Seller.

31. REMEDIES FOR BREACH BY SELLER.

A. The rights and remedies reserved to Buyer in each Purchase Order shall be cumulative with, and additional to, all other or further remedies provided in law or equity.

B. Seller acknowledges and agrees that, if Seller's failure to perform the Services will prevent Buyer from meeting its production obligations to its customers, money damages would not be a sufficient remedy for any actual, anticipatory or threatened breach of any Purchase Order by Seller with respect to its delivery of Services to Buyer and that, in addition to all other rights and remedies which Buyer may have, Buyer shall be entitled to specific performance and temporary, preliminary and permanent injunctive or other equitable relief as a remedy for any such breach.

C. Notwithstanding anything to the contrary contained in any Purchase Order, Buyer does not release any claim against Seller that is based in whole or in part on any fraud or duress in connection with the Purchase Order or any breach or anticipatory breach of the Purchase Order or any other Purchase Order between Buyer and Seller.

32. NO WAIVER.

A waiver by Buyer of any right or remedy shall not affect any rights or remedies subsequently arising under the same or similar clauses. The failure of the Buyer to insist upon the performance of any term or condition of this Purchase Order, or to exercise any right hereunder, shall not be construed as a waiver of the future performance of any such term or condition or the exercise in the future of any such right.

33. RELATIONSHIP OF PARTIES.

Seller and Buyer are independent contracting parties and nothing in this Purchase Order shall make either party the agent or legal representative of the other for any purpose whatsoever, nor does it grant either party any authority to assume or to create any obligation on behalf of or in the name of the other party.

34. ASSIGNMENT.

This Purchase Order is issued to the Seller in reliance upon Seller's personal performance of the duties imposed. Seller agrees not to, in whole or in part, assign this Purchase Order or delegate the performance of its duties without the written consent of Buyer. Any such assignment or delegation without the previous written consent of Buyer, at the option of Buyer, shall effect in a cancellation of this Purchase Order. Any consent by Buyer to an assignment shall not be deemed to waive Buyer's right to recoupment from Seller and/or its assigns for any claim arising out of this Purchase Order. Assignment shall not relieve Seller from its obligations of confidentiality under the Purchase Order. Buyer shall have the right to assign any benefit or obligation under this Purchase Order to any third party upon notice to Seller.

35. LIMITATIONS ON BUYER'S LIABILITY.

In no event shall Buyer be liable to Seller for anticipated profits or for special, incidental, or consequential damages, except for any damage caused by Buyer's wilful misconduct. Buyer's liability for a claim of any kind or for any loss or damage arising out of or in connection with or resulting from each Purchase Order, the Services or any other agreement between Buyer and Seller shall be a termination claim, as specified in Section 27 hereof.

36. SEVERABILITY.

If any term(s) of the Purchase Order is invalid or unenforceable under any statute, regulation, ordinance, executive order or other rule of law, such term(s) shall be deemed reformed or deleted, as the case may be, but only to the extent necessary to comply with such statute, regulation, ordinance, order or rule, and the remaining provisions of the Purchase Order shall remain in full force and effect.

37. NOTICES.

All notices, claims and other communications to Buyer required or permitted under the Purchase Order shall be made in writing and sent by certified or registered mail, return receipt requested and proper postage prepaid to the following address and shall be effective only upon receipt by Buyer in the form set forth in this Section 37:

Henniges Automotive Prudnik sp.z.o.o.
Ulica Nyska 17 "a"
Prudnik POLAND

with a copy to:
Henniges Automotive Holdings, Inc.
2750 High Meadow Circle
Auburn Hills, Michigan 48326
Attn: General Counsel

Seller's failure to provide any notice, claim or other communication to Buyer in the manner and within the time periods specified in the Purchase Order shall constitute a waiver by Seller of any and all rights and remedies that otherwise would have been available to Seller upon making such notice, claim or other communication.

38. ELECTRONIC COMMUNICATIONS AND ELECTRONIC SIGNATURES.

Seller shall comply with any method of electronic communication specified by Buyer, including requirements for electronic funds transfer, Purchase Order transmission, electronic signature, and communication.

39. DATA SECURITY.

For purposes of this Section, “Buyer Data” means all data, content, material, confidential information and other information provided by Buyer to Seller or otherwise transmitted to Seller for use in connection with this Purchase Order. Seller will maintain and enforce information and data privacy and security procedures with respect to its access, use and storage of all Buyer Data that: (a) are at least equal to industry standards taking into consideration the sensitivity of the relevant Buyer Data, and the nature and scope of the Services to be provided; (b) are in accordance with Buyer’s reasonable security requirements; (c) comply with all applicable international, foreign, federal, state and local laws, statutes, rules, orders and regulations; and (d) provide reasonably appropriate administrative, technical, and physical safeguards to protect against accidental or unlawful destruction, loss, alteration or unauthorized disclosure, access or use of Buyer Data. Without limiting the generality of the foregoing, Seller will take all reasonable measures to secure and defend its location and equipment against anyone who may seek, without authorization, to modify or access Seller systems or the information found therein without consent. Seller will periodically test its systems for potential areas where security could be breached. Seller will report to Buyer immediately any breaches of security or unauthorized access to Seller systems that Seller detects or becomes aware of. Seller will use diligent efforts to remedy such breach of security or unauthorized access in a timely manner and deliver to Buyer a root cause assessment and future incident mitigation plan with regard to any breach of security or unauthorized access affecting Buyer Data. The requirements of this Section shall apply regardless of whether Seller hosts the Buyer Data itself or through a third party hosting or cloud services provider.

40. CHOICE OF LAW/JURISDICTION.

A. Should Buyer and Seller be domiciled in Poland, the construction, interpretation and performance of this Purchase Order and all transactions thereunder shall be governed by Polish law. The United Nations Convention on the International Sale of Goods is expressly excluded. For any and all disputes arising out of or in connection with this Purchase Order, Polish courts shall have sole jurisdiction. The above disputes shall be settled by a court relevant and competent for Buyer’s registered address indicated in the commercial register on the date the proceedings are instituted. Seller specifically waives any and all objections to venue in such courts.

B. Should the Seller be domiciled outside of Poland, construction, interpretation and performance of this Purchase Order and all transactions thereunder shall be governed by the law of the State of Michigan, without regard to principles of conflicts of law. The United Nations Convention on the International Sale of Goods is expressly excluded. Any and all disputes arising out of or in connection with this Purchase Order shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules. All arbitrator(s) shall be fully qualified lawyers or judges. In case of three arbitrators, the two party-appointed arbitrators shall nominate the third arbitrator as President of the Arbitral Tribunal. The Emergency Arbitrator Rules shall not apply. The place of arbitration is Detroit, Michigan.

The arbitration proceedings shall be conducted in English. The Arbitral Tribunal shall take guidance from the IBA Rules on the Taking of Evidence in International Arbitration, when conducting the arbitral proceedings. The law applicable to the arbitration clause is the law of the State of Michigan without regard to principles of conflicts of law.
